

My name is Nick Rubini, you may know me... I'm very interested in rejoining the board of directors for the VCSD. I have grown up in the town of volcano and am raising 2 boys here in town with my wife Caitlin. I'm very interested in helping volcano get back on on the map and maybe even make some improvements. I would love it if you would consider swearing me in as a director again. I have been running my own business for 18 years and believe I could be a great service to the town we all love so much.

Sincerely
Nick Rubini

To the VCSD Board of Directors,

I, Alan Korematsu, am interested in running for a position on the board of directors for the Volcano Community Services District. The reason why is so I can better serve my community by protecting and managing the most precious resource our town still has local control over.

Sincerely,

Alan Korematsu
