There is money available to the VCSD for park and open space improvements. This is not refurbishment but new things. Items can be park benches, new tables, increasing the size of the park. Maybe a bike rack near the theater. Possibly a new drinking fountain, as the last one was leaking. There is a sizable fund, \$177,000.

Deadlines are very soon, so the board needs to decide on signing a resolution to approve doing something. The something can be determined at a later date.

Other parks have put in playground equipment, walking trails and such.
